APPLICATION FOR A CONSULAR REPORT OF BIRTH

A Consular Report of Birth may be issued for any U.S. citizen child under age 18 who was **born abroad and who acquired U.S. citizenship at birth**. Only the child's parent or legal guardian may make application on the child's behalf. The application must be signed before a U.S. consular officer, a consular agent or, in the case of children born in U.S. military hospitals, a designated military official. In certain circumstances, the application may be executed before a notary public overseas. (Contact the nearest American Embassy or Consulate for guidance in such cases.)

DOCUMENTARY EVIDENCE

A. For children who have never been documented as U.S. citizens:

When an application is made for a Consular Report of Birth for a child who has never been documented as a U.S. citizen, the documentary evidence listed below should be presented. Provisions may be made for documents that are not available. In certain instances, additional evidence may be required to insure full compliance with citizenship law. All documentation submitted must be originals or certified copies of the originals.

1. Child's birth certificate.
2. Evidence of the parent(s) U.S. citizenship. This may consist of a U.S. passport, Consular Report of Birth, Naturalization Certificate, Certificate of Citizenship or U.S. birth certificate. For other forms of acceptable U.S. citizenship evidence, contact the U.S. consul.
3. Parents' marriage certificate.
4. Evidence of the termination of any previous marriages of the parents (divorce decree, annulment decree, or death certificate).

B. For children who have previously been documented as U.S. citizens: When an application is made for a child who has previously been documented as a U.S. citizen, the application need only be accompanied by the documentation issued to the child and the original or a certified copy of the child's birth certificate.
